**A total of 200,000 new E-series registration plates will be released by the Government on Wednesday October 6.**

For the first time, the numbers 1 to 20 range of E series registrations, withdrawn from original issue in 1987, will be available to the public.

The plates will be available on a first come first served basis and with thousands of callers trying to secure their chosen registration in the first hours of issue.

*Inevitably phone lines become blocked and callers' frustration levels can rise.*

NewReg.com use cutting edge technology to secure the plates and believe we are your best chance for success.
